(b) The following states and groups of states which have merged in Bombay

- (i) Deccan States Agency

- (iii) Baroda
- (iv) Idar, Bhilampur, Vijaynagar and Sabar Kantha Agency from Western India States Agency
- (v) Abu, Danta, Sirohi and Kalanpur from the Rajputana States

Of the five groups of states detailed above Y slips were available only for (iii) Baroda (complete) (iv) Rajputana states (except Abu) and for a few states of the other three groups (partly in most cases). The tables presented here therefore cover the 20 districts under (a) and the states under (b) (iii) and (b) (i) (excepting Abu) only.

Certain civil conditions and literacy tables based on complete enumeration are in existence for the Rajputana states as also Baroda but they do not conform to the standard form adopted for the sample tables. It was accordingly necessary to tabulate the Y slips of these states to obtain the necessary tables.
